5. The use of cooking stoves in the proximity of the tenting and benching areas is forbidden except as authorised by the Show Management.
6. Entry Fees: Non-Members; £14.00 first entry per dog; £3.00 each subsequent entry with the same dog. Members; £12.00 first entry per dog; £2.00 each subsequent entry with the same dog. Catalogues: £2.00 pre-paid with entries (£3.00 Limited availability on the day). Membership: Single £8.00; Joint £10.00; Junior £2.00; Joining Fee £2.00. Rosette donation £3.00 per class.
7. There is no prize money on offer at this show.
8. The Committee reserves to itself the right to refuse entries.
9. Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
10. The mating of bitches within the precincts of the Show is forbidden.
11. **Best Puppy in Show** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same Show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy.
Withdrawal from other Competition: Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes prior to the competition for Best Puppy in Show as appropriate, in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition.
Proviso: For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.
12. **Best in Show** The dog declared Best in Show is a dog which had competed and is unbeaten by any other dog exhibited at the same Show. Best in Show must be selected from the exhibits declared Best of Sex providing they are unbeaten winning dogs. Reserve Best in Show must be selected from the Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show. The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition.
Withdrawal from other Competition: Dogs which become eligible for Best in Show may be withdrawn from all other competition, other than breed classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition.
Proviso: For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.
13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. It is not acceptable to handle a dog in a manner which causes its feet not to touch the ground when on the move. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
16. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
17. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

18. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

19. Not for Competition entries will not be accepted.
20. No modifications will be made to this Schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible
21. Exhibitor passes will not be sent out. Anyone requiring confirmation of entries please send a stamped addressed postcard.
22. Should any Judge be prevented from fulfilling his or her engagement the Committee reserves the right to appoint another Judge or Judges in their place. Exhibitors may withdraw from competition, but no entry fees can be returned.
23. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches. Any infringement of this regulation will be reported to the Committee who will reserve the right to refuse entries to future shows.
24. The Committee will be most anxious for the safety and care of all dogs entered for exhibition and any property entrusted to it, but it must be clearly understood by exhibitors and any other persons that the committee will not be responsible for the entire or partial loss, or detention of, or damage to any dogs or person for any cause whatsoever, nor for any act of omission of themselves, their officers, servants, agents and others and it is on this understanding only that entries are received.
25. Every Exhibitor making an entry or entries for these shows, shall be deemed to have agreed to abide by the Kennel Club Rules and Show Regulations and to obey these Regulations and it is on this understanding only that entries are accepted.
26. No animal, other than an exhibit duly entered at the shows, will be allowed within the precincts of the Show during its continuance.
27. The Committee of the Show can accept no responsibility for products advertised or sold by stand holders at the Show and remind exhibitors that grooming products on sale may not meet the requirements of the Regulation for the Preparation of Dogs for Exhibition F(B).
28. No Bench numbers shall be changed from one bench to another and no dog shall be benched on any but its numbered pen. Under no circumstances may partitions between dogs be removed.
29. If a dog is absent from its bench when required for judging the Committee will not be responsible for exhibitors missing their classes.

DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. **Saturday, 23rd September 2017**. Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A First Prize does not include a Special Prize of whatever value.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

(1) *Withdrawal*

The dog may be withdrawn from competition subject to the conditions of Regulations 9(j) and 20.

(2) *Transfer*

- b) For an exhibit entered incorrectly in a Minor Puppy Class, Puppy Class or Junior Class, which is over age but under twelve calendar months of age, eighteen calendar months of age or 24 calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open Class for the correct colour, sex, weight or height.
- c) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct colour, sex, weight or height.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and **AT RISK** if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.

IMPORTANT INFORMATION REGARDING BENCHING & IDENTIFICATION OF DOGS

It is a Kennel Club requirement that exhibitors display the exhibit/bench number on their crate, cage or container at all times. This is particularly important when cages etc. are not on benches, and at unbenched shows.

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway.

These points have been introduced with the safety of all in mind, but most importantly that of the dog, and to minimise potential incidents and injuries.
